Jenny – I finished the Dalles permit and consolidated FS. I will probably get into the office right about 930.

Okay, I'm not going to be able to finish my review of the fact sheet/permits until Friday. I have to re-write a large portion of this response brief and need to get it to OGC by Thursday am. I can turn to the WA Hydro Permits after that. We can still meet in the morning to discuss – that may help with my review anyway.

Susan – my plan is to look at the WA Hydro permits [Non-response - due to requester agreement] I can't even estimate timing but hoping to get most of these reviewed by Monday. Next week, I have to finalize the response brief, admin index, etc so I need to get a lot of these permits reviewed this weekend.

Jenny – Later next week, I'm going to turn my attention to the [Non-response - due to requester agreement]
